

## Costs to consider in Goa

### Cost Includes and Excludes

#### Returning volunteers...

All of these projects are run by donation, which is why we ask you to cover all of the costs for your visit to India as listed below. We ask for a deposit of £100 to secure a place on the program once the application has been accepted. The deposit can be deducted from the program fee.

Because our projects are run by donation, we ask returning volunteers to fund raise an amount based on the number of weeks they choose to participate in the program; the amount is less than that of 1<sup>st</sup> time volunteers... Please see the table below giving details...and explaining just how your donation can help our children... thank you!
